OBJECTIVE

Passionate and dedicated Web Developer with a strong desire to tackle challenges and drive innovation within an organization. Committed to continuous learning, I eagerly embrace new technologies and methodologies to expand my skill set and enhance organizational success.

PROJECTS

HubView
Technologies used: HTML, CSS, JavaScript
User-friendly **GitHub username search** application. It fetches (GitHub API) user profile information from GitHub based on the entered username and displays it accurately. Additionally, it gracefully handles errors, providing clear feedback when incorrect or nonexistent usernames are entered. (Host) (Github)
